Dear Joe,

Nominating student or adult leaders for an award is an excellent way to recognize them for their achievements. These awards will be used to honor individuals at the Awards Banquet. We have extended our nomination deadline to April 11th. Visit the [Awards and Scholarships](#) page to view the awards or contact vboyd@stllfl.org to nominate someone.

Some of the activities at the event will include bottle rockets, collaboration with the challenger learning center, space suits, crafts, games and much more.

We still need volunteers for Adventure Days. If interested, contact Kerrienne Duggan at 314-256-3108.

Career Interest Surveys

[View the survey](#)

Take advantage of the Exploring Division's free service for students by participating in the Student Career Interest Surveys.

Students in grades 8-11 spend about five to ten minutes indicating their top career choices, hobbies, post graduation plans and areas in which they need additional guidance, such as with ACT preparation.

Exploring executives will deliver surveys to high schools and middle schools this spring arrange a convenient time to pick up completed surveys. Guidance counselors and principals will receive an electronic copy of the results in the fall. Contact your area Executive for more information.

Telephone Charades

Arrange everyone in a line. The first person in line thinks of a phrase and acts it out only for the next person in line, who in turn acts it out for the next person. The last person in line tries to guess what the original clue was. The first person then moves to the end of the line and the game begins again.

Variation: Keep the charades to a theme, such as movies.
