**Dear Joe,**

The school year is wrapping up and we hope everyone is looking forward to a fantastic summer. We've had a great time working with you during the school year and hope you take the time to visit your area's page for updates and a quick survey. We'll begin contacting schools in August to renew programs.

## Exploring Post Directory

[View the Post Directory](#)

A post directory is now available online so that potential Explorers and their parents can easily find a post in which they are interested.

Please take a moment to view the directory to make sure your post's information is correct. If you would like to submit changes, email your area executive or Shannon Hook at [shook@stlflf.org](mailto:shook@stlflf.org).

You can access the directory through the link above or by visiting [www.stlflf.org](http://www.stlflf.org) and clicking on Exploring Programs on the left sidebar. A link to the directory will be at the top of the Programs page.

## More than an Animal

Ask students take out a sheet of paper. Ask them to write down the following animals:

Monkey, Tiger, Horse, Sheep, Cow

Have them rate these animals in order of importance using the numbers 1-5. After they have done this, you may explain what it means.

These words represent priorities. According to this exercise, they will have rated these words according to how they view their actual priorities.

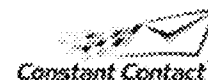

Monkey=Money; Tiger=Pride; Horse=Family; Sheep=Love; Cow=Career.
